Effective July 1, 2023

Public Hearing: August 11, 2023

Good morning, my name is Marie Lenane and I am a Policy Pricing Analyst at the Executive Office of Health and Human Services (EOHHS). I am here to present staff testimony on the proposed repeal of 101 CMR 433.00: *Rates for Certain Health and Human Services Programs*.

101 CMR 433.00 will be repealed effective July 1, 2023. Beginning July 1, 2023, the rates for all services described in 101 CMR 433.00 reverted to the applicable rates set forth in the corresponding “parent” rate regulation for each service.

There is no associated fiscal impact with the repeal of this regulation.
